MANAGEMENT'S REPORT

Year ended March 31, 2019

The accompanying consolidated financial statements of Indian Island First Nation and all the information in this annual report are the responsibility of management and have been approved by Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of CPA Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide a reasonable assurance that reliable financial information is produced.

The Indian Island First Nation's Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Indian Island First Nation Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Nadeau Picard & Associés, CPA, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Indian Island First Nation and meet when required.

On behalf of Indian Island First Nation:

Chief

Councillor

Councillor

Date

July 22, 2019

The block contains three handwritten signatures. The first signature, for the Chief, is written over a horizontal line. The second signature, for a Councillor, is written over a horizontal line. The third signature, for another Councillor, is written over a horizontal line. The signatures are in dark ink and are cursive in style.

INDEPENDENT AUDITOR'S REPORT

To the Chief and Band Councillors

Opinion

We have audited the consolidated financial statements of Indian Island First Nation (First Nation), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statements of operations and changes in accumulated surplus, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2019, and the results of its consolidated operations and change in accumulated surplus, change in net debt and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

Without modifying our opinion, we draw attention to note 24 of the financial statements, saying that the budget figures are unaudited.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.

4

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the First Nation's audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES**Nature of Operations**

Indian Island First Nation is a First Nation government that provides a wide range of services to the members of its community. By its nature, the entity is non-taxable. The entity is governed by a board of elected Chief and Council.

Basic of Accounting

These consolidated financial statements have been prepared by Band management in accordance with the First Nation Reporting Handbook, which states that you follow the Canadian public sector accounting standards for government entities, as recommended by the Public Sector Accounting Board of CPA Canada, which encompasses the following principles:

a) Accrual Accounting

Expenses are recorded for all goods and services received or consumed during this fiscal year.

Amounts received or recorded as receivable but not earned by the end of the fiscal year are recorded as deferred revenue.

b) Reporting Entity and Principles of Financial Reporting

The Indian Island First Nation reporting entity includes the Indian Island First Nation Government and all related entities which are accountable to the First Nation and are either owned or controlled by it.

These consolidated financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles that lend themselves to consolidation:

- Indian Island First Nation Government Administration
- Indian Island First Nation Trust Funds
- Indian Island Aquaculture Development Corporation
- Indian Island Economic Development Corporation
- Indian Island First Nation Consulting Corporation

All inter-entity balances have been eliminated on consolidation.

c) Asset Classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not to be consumed in the normal course of operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, construction in progress, deposit on capital assets and prepaid expenses.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES (continued)
d) Inventories

Tobacco inventories are measured at the lower of cost and net realizable value. The cost is determined using the first-in, first-out method. Net realizable value is the estimated selling price in the ordinary course of business, less any applicable variable selling costs.

The livestock inventory costs such as purchases, salaries and others are expensed in the year incurred.

e) Tangible capital assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods or delivering services.

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization is provided for on a straight line basis over their useful lives as follows:

Buildings	straight line	10-40 years
Roads and paving	straight line	20 years
Equipment and boat	straight line	2-10 years
Vehicule	straight line	5 years
Windtower	straight line	20-40 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to Indian Island First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

f) Deferred Revenue

Deferred revenue represents unspent Government transfers for programs, where the eligibility criteria has not been met at year end. The unspent revenue is carried forward to be recognized as eligibility criteria is met or until the funder deems the surpluses to be repayable at which time an amount payable is recognized.

g) Net Debt

The First Nation's consolidated financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its liabilities less its financial assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES (continued)**h) Cash and Cash Equivalents**

The First Nation's policy is to disclose bank balances under cash and cash equivalents, including bank overdrafts with balances that fluctuate frequently from being positive to overdrawn and term deposits with a maturity period of three months or less from the date of acquisition. Cash and cash equivalents that the First Nation cannot use for current transactions because they are pledged as security are also excluded from cash and cash equivalents.

i) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

j) Financial Instruments

The First Nation's financial instruments consist of cash, accounts receivable, term deposits, accounts payable and accrued liabilities, due to Government and other Government Organizations and long term debt. The fair value of these financial instruments approximate their carrying values unless otherwise noted.

k) Use of estimates

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting periods presented. Actual results could differ from these estimates. The main estimates relate to the useful life of capital assets.

l) Trust Funds

Trust funds represent the Indian Monies Trust funds held by the Federal Government. These funds are administered by the Federal Government.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES (continued)**m) Segmented Information**

The First Nation discloses segmented results of operations for the year in note 23 to the consolidated financial statements. The First Nation has segregated its activities into the following segments based on distinguishable groups of activities:

Economic Development

Contains activities of the economic development program. The First Nation is currently working on a windtower project.

Education

Provides elementary, secondary and post-secondary tuition for qualifying members along with related programs and support.

Social

Provides social assistance to qualifying members. It also includes the section 95 housing and related expenditures.

Health

Contains activities that provide medical services to band members.

Public Works

Contains all activities that relate to the maintenance of buildings and land of the First Nation.

Band Government

Includes all other activities not described in another fund. Mainly centralized and shared activities.

Other

Includes the forestry, aquaculture, fisheries and consulting activities.

Term deposits are recorded at cost. Term deposits are written down where there has been a loss in value that is other than a temporary decline. The current term deposit carry an interest rate of 2% and is maturing in March 2020.

5. OTTAWA TRUST MONEYS

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

15. CONSTRUCTION IN PROGRESS

Construction in progress consists of the development costs for a windtower project, an oyster holding facility and a boat. These projects are still on-going as of March 31, 2019.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

16. ECONOMIC DEPENDENCE

Indian Island First Nation receives a major portion of its revenues pursuant to a funding arrangement with Indigenous Services Canada. The nature and extent of this revenue is of such significance that the First Nation is economically dependent on this source of revenue.

17. PENSION AGREEMENT

The First Nation provides defined contribution plan for eligible members of its staff. Members are required to contribute 9% of their salary. The First Nation contributes 9% which contributions are directed to the member's contribution account. The amount of retirement benefit to be received by the employees will be the amount of retirement annuity that could be purchased based on the member's share of the pension plan at the time of the member's withdrawal from the plan. Indian Island First Nation contributed during the year \$27,107 (2018 - \$24,758) for retirement benefits.

18. FAIR VALUE AND RISK MANAGEMENT OF FINANCIAL ASSETS AND LIABILITIES**a) Fair value of Financial Assets and Liabilities**

The carrying value of cash, accounts receivable, term deposit, accounts payable and accrued liabilities approximates fair market value due to their short-term nature.

The carrying value of the long-term debt at the balance sheet date is a fair representation of the present value of future cash flows given that the interest rate risk is protected by an agreement with CMHC for the majority of the long-term debt.

b) Credit Risk

Credit risk is the risk that a counterparty will default on its financial liabilities.

Financial assets which potentially subject the First Nation to credit risk and concentrations of credit risk consist principally of cash and accounts receivable.

Management manages credit risk associated with accounts receivable by pursuing collections when they are due.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

18. FAIR VALUE AND RISK MANAGEMENT OF FINANCIAL ASSETS AND LIABILITIES
(continued)

c) Interest Rate Risk

The First Nation is exposed to interest rate risk on its fixed and variable interest rate financial instruments. Fixed-interest instruments subject the First Nation to a fair value risk while the variable-rate instruments subject it to a cash flow risk.

19. CONTINGENT LIABILITIES

These financial statements are subject to review by the First Nation's funding agents. It is possible that adjustments could be made based on the results of their reviews.

20. EXPENSES BY OBJECT
